Preface

The pictures included in this booklet show heroes and heroines of classic fairytales adored by children all over the world:

Snow White

The Ugly Duckling

Pinocchio

Cinderella

Alice in Wonderland

Peter Pan

Sleeping Beauty

King Arthur

The Legend of Sleepy Hollow

Mary Poppins

All these fairytales narrate the adventures of the good-hearted, kind, brave and efficient hero or heroine, who goes through dire straits until they finally find a way to defeat negative forces by use of magic. Eventually, good prevails over evil and there is always a happy ending, usually a royal wedding.

Enjoy!

Albert Einstein's quotation

If you want your children to be intelligent,
read them fairy tales.

If you want them to be more intelligent,
read them more fairy tales.
